Summary

Hi, I'm Muhammad Anas a Front End Developer with experience of more than a year working in industry building Websites, Web pages and Landing pages for companies and solo entrepreneurs to grow their business faster. Specialized in creating Landing Pages and I have professional experience working with different technologies and frameworks.

I often use technologies like Html5, CSS3, Java Script and frameworks like Bootstrap and Tailwind CSS for building projects.

Throughout my career, I always strive to deliver effective, focused, and quality work that suits my client's needs. If you need to grab or discuss my services, don't hesitate to reach out here at LinkedIn.
